Subject: Separations Process Research Unit - Consent Order

Good Afternoon to All:

Attached please find the Final Consent Order for the Clean Air Act violations for the Separations Process Research Unit which is contained on the Knolls Atomic Power Laboratory Site. It is our intention to send this out to the Department of Energy (DOE) and engage them in a meeting shortly.

My thanks to my colleagues in our Office of Regional Council and my Radiation & Indoor Air Branch for their hard work and insight.

Should you have comments please send them to me with a copy to Jeanette Eng and Evans Stamatakis as I will be out of the office through May 30, 2011.
